# A NEW VISION

## L'ALBA: LA LUCE DI UN NUOVO INIZIO, I COLORI DI UNA RINASCITA.

Dopo un essenziale lavoro prospettico, Newform conferma la sua presenza nel mondo dell'arredo bagno e wellness con il plus di una nuova consapevolezza e di un forte spirito innovativo. Il focus è sull'estetica, la funzionalità, il design e l'originalità di una gamma di collezioni che si dirige verso il concept del total look per garantire sempre la massima soddisfazione delle richieste del cliente.

L'azienda riconosce quindi il proprio dovere di comunicare il nuovo percorso di evoluzione, mantenendo il dialogo aperto con il mondo esterno nell'ottica di uno scambio continuo e reciproco con i principali stakeholder.

## THE DAWN: THE LIGHT OF A NEW BEGINNING, THE COLOURS OF A REBIRTH

After an essential prospective work, Newform confirms its presence in the world of bathroom and wellness furniture with the plus of a new awareness enhanced by a strong spirit of innovation. The focus is set on the aesthetics, the functionality, the design and the originality of a collection range that is heading towards the concept of a total look, with the aim to always guarantee the highest satisfaction to the customer's requests.

The company recognises its own duty to communicate the new evolution path, maintaining the dialogue open to the outside world for a constant and bidirectional exchange with the main stakeholders.

Il futuro è oggi, in un presente che vive di tradizioni, di passato e di storia. Dalla nuova vision di Newform sono nate prospettive incentrate sui prossimi passi e obiettivi dell'azienda.

Le strategie di incremento della brand awareness, la crescita e la diffusione ancora più capillare sui mercati internazionali, l'attitudine a uno sviluppo sostenibile e il consolidamento della rete di partner e collaboratori diventano i principali punti di fuga di una nuova prospettiva che è anche, e soprattutto, eterna rigenerazione. A voi è rivolto l'invito di sperimentare la stessa veduta di Newform per aprirvi a nuove suggestioni costellate di dettagli, idee, stili, forme e colori che sanno di puro design.

*The future is today, in a present that lives of traditions made of past and history. The new vision of Newform has been the origin point of perspectives focused on the next steps and goals of the company.*

*The strategies about the brand awareness increase, the growth, the widespread diffusion on the international markets, the attitude to a sustainable development and the strengthening of the partners network become the main vanishing points of a new prospective, which is, above all, eternal regeneration.*

*We invite you to experiment the same vista as Newform to open yourselves to new suggestions sprinkled with details, ideas, styles, shapes and colours that taste of pure design.*

A NEW  
PROSPECTIVE

A NEW  
BACKGROUND

Per Newform si apre uno scenario nuovo che si intreccia all'esistente contesto imprenditoriale di un'azienda matura che supera il traguardo dei 40 anni di attività nel settore. Expertise e innovazione diventano i valori aggiunti di un intramontabile tratto Made in Italy.

Newform presenta così un nuovo biglietto da visita, definendo il suo campo d'azione oltre i confini internazionali. Il panorama si estende e cresce l'istinto di voler osare al di là della tradizionalità e degli standard, dove i valori primordiali sono e resteranno i capisaldi di un percorso evolutivo. Così nasce una strategia worldwide che ha ben chiaro i suoi punti di interesse.

*Newform attends the opening of a new scenario that intertwines with the current business background of a mature company who passes the 40 years of activity in the sector. Expertise and innovation become the added values of an everlasting Made in Italy feature.*

*Newform presents in this way a new business card, by defining its field of action beyond the international borders. The panorama becomes wider and it grows the instinct to dare outside the conventional and the standards, where the primordial values are – and will always remain – the cornerstones of an evolutive path. This is how a worldwide strategy that clearly focalizes its points of interest was born.*

DELTA ZERO

Con la collezione DELTA ZERO Newform riporta il design dell'arredo bagno alla sua essenza originaria, quella più autentica, dove vive l'enfasi delle linee pure e rigorose dei volumi. Una proposta all'insegna della dinamicità delle forme che non lascia nulla al caso, nemmeno il nome, segno di una nuova consapevolezza innovativa ed evolutiva dell'azienda.

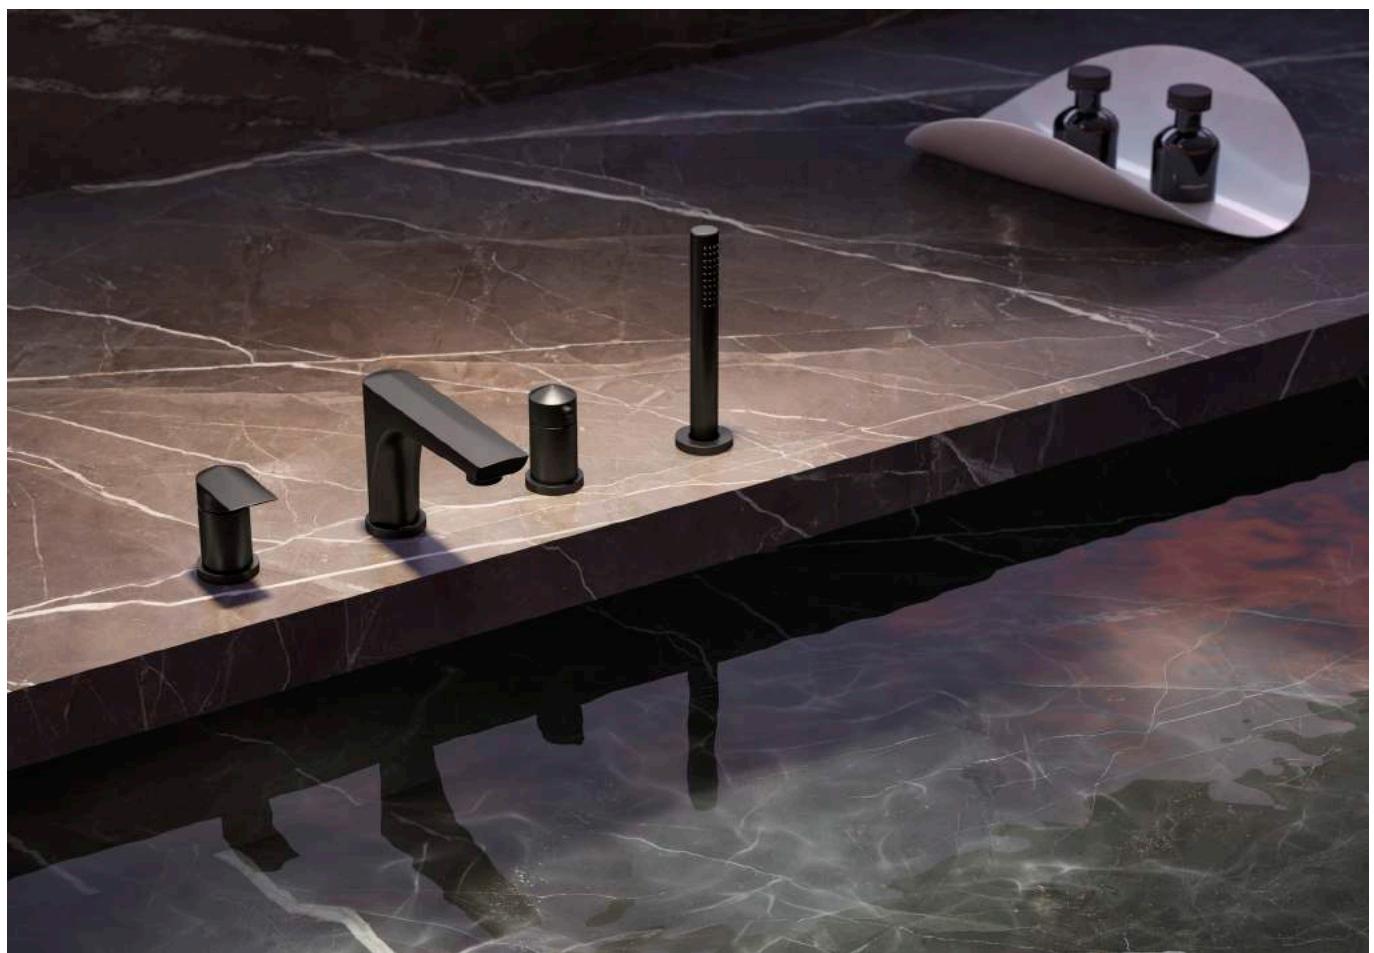

### FORTE INTESA DI GEOMETRIE

La forma fino ad ora inespressa di Delta Zero trova la sua rivelazione in un design inconfondibile capace di restituire un dinamismo compositivo. Una triade di profili geometrici che si sposano tra di loro dà origine a sezioni variabili che lasciano assoluta libertà di riflesso alla luce. Le spiccate nervature presenti lungo il corpo e la maniglia di Delta Zero, evidente richiamo a un forte effetto organico, ripercorrono i tratti della perfezione geometrica del triangolo e contribuiscono ad accentuare lo slancio della sagoma verso l'alto, interpretazione dell'ascesa all'unicità di Delta Zero.

*Newform brings the design of the bathroom furniture back to its early essence with the DELTA ZERO collection, the most authentic one, where the emphasis of pure and rigorous lines of volumes lives. A proposal under the sign of shape dynamism that does not leave anything to chance, not even the name, symbol of a new innovative and evolutionary awareness of the company.*

### STRONG HARMONY OF GEOMETRIES

*The shape until now unexpressed of Delta Zero finds its revelation in a unique design, able to give back a compositional dynamism. A trio of geometrical profiles that combines each other and that originates variable sections to leave absolute freedom of reflection to the light. The pronounced veinings present along the body and the handle of Delta Zero, clear reference to a strong organic effect, retrace the feature of geometrical perfection of the triangle and they contribute to accentuate the slender upwards silhouette, interpretation of the Delta Zero rise to uniqueness.*

Fedele alla filosofia di creare una proposta wellness inclusiva di un progetto sempre più focalizzato su un total look della stanza da bagno, Newform conferma la sua tendenza ad esprimersi con il linguaggio dell'home spa. È qui che Delta Zero diventa parte integrante di un prospetto di design in cui riproporre le distintive geometrie in tutti gli altri spazi abitativi.

### FINISHES SELECTION

Newform punta sulle finiture e sceglie le più esclusive della sua gamma per vestire la collezione Delta Zero. La serie, realizzata in ottone, sposa così una selezione di creative nuances che include il look dark e inebriente del Gun Metal, l'autenticità del Cromo, l'esclusività e il romanticismo del Copper Bronze, la ricchezza raffinata e vitale dell'Oro lucido e, infine, la purezza e l'essenzialità del Bianco opaco e Nero opaco.

*Loyal to the philosophy to create a wellness proposal inclusive of a project increasingly focused on a total look of the bathroom, Newform confirms its trend to speak the language of the home spa. It is here that Delta Zero becomes part and parcel of a design prospect where reproducing the distinctive geometries in all other spaces.*

### FINISHES SELECTION

Newform focuses on finishes and it chooses the most exclusive ones of its range to suit the Delta Zero collection. The series, made of brass, combines a selection of creative nuances which includes the dark and inebriating look of Gun Metal, the authenticity of Chrome, the exclusivity and the romanticism of Copper Bronze, the refined and vital richness of glossy Gold and, lastly, the pureness and essential nature of White matt and Black matt.

# **SOLO•STEEL**

SOLO STEEL

Una nuova cultura di lavabo dall'anima inconfondibilmente minimal. Newform completa la sua gamma di lavabi arricchendola con la novità SOLO.STEEL nelle due versioni, da appoggio e freestanding. Una forma perfettamente tonda, dal carattere energico e dinamico, che favorisce in modo sinuoso e armonioso il movimento e la direzione dell'acqua verso il centro del lavabo. Con Solo.Steel Newform risponde alle esigenze moderne degli ambienti bagno prediligendo un design olistico, risultato di un sapiente mélange di contemporaneità e raffinatezza.

### ACCIAIO PERCHÉ SOSTENIBILE

Newform sceglie il materiale più riciclato al mondo come essenza fisica e tangibile di Solo.Steel. La completa realizzazione in acciaio conferisce a questa proposta di arredo proprietà quali durevolezza e resistenza, nonché una prestante predisposizione alla sostenibilità. La ricerca del materiale ideale si integra alla forma circolare del lavabo per un effetto di pura eleganza capace di attraversare tempi e luoghi di qualsiasi ambiente bagno.

*A new culture of washbasin with an undeniably minimal soul. Newform completes its range of handbasins by enriching it with the novelty SOLO.STEEL in the two versions, countertop and freestanding. A shape perfectly round, which differs for its energetic and dynamic character and which encourages the movement and the direction of water towards the centre of the sink in a sinuous and harmonic way. With Solo.Steel Newform fulfils the modern needs of the bathroom preferring a holistic design, results of a wise mélange of contemporaneity and refinement.*

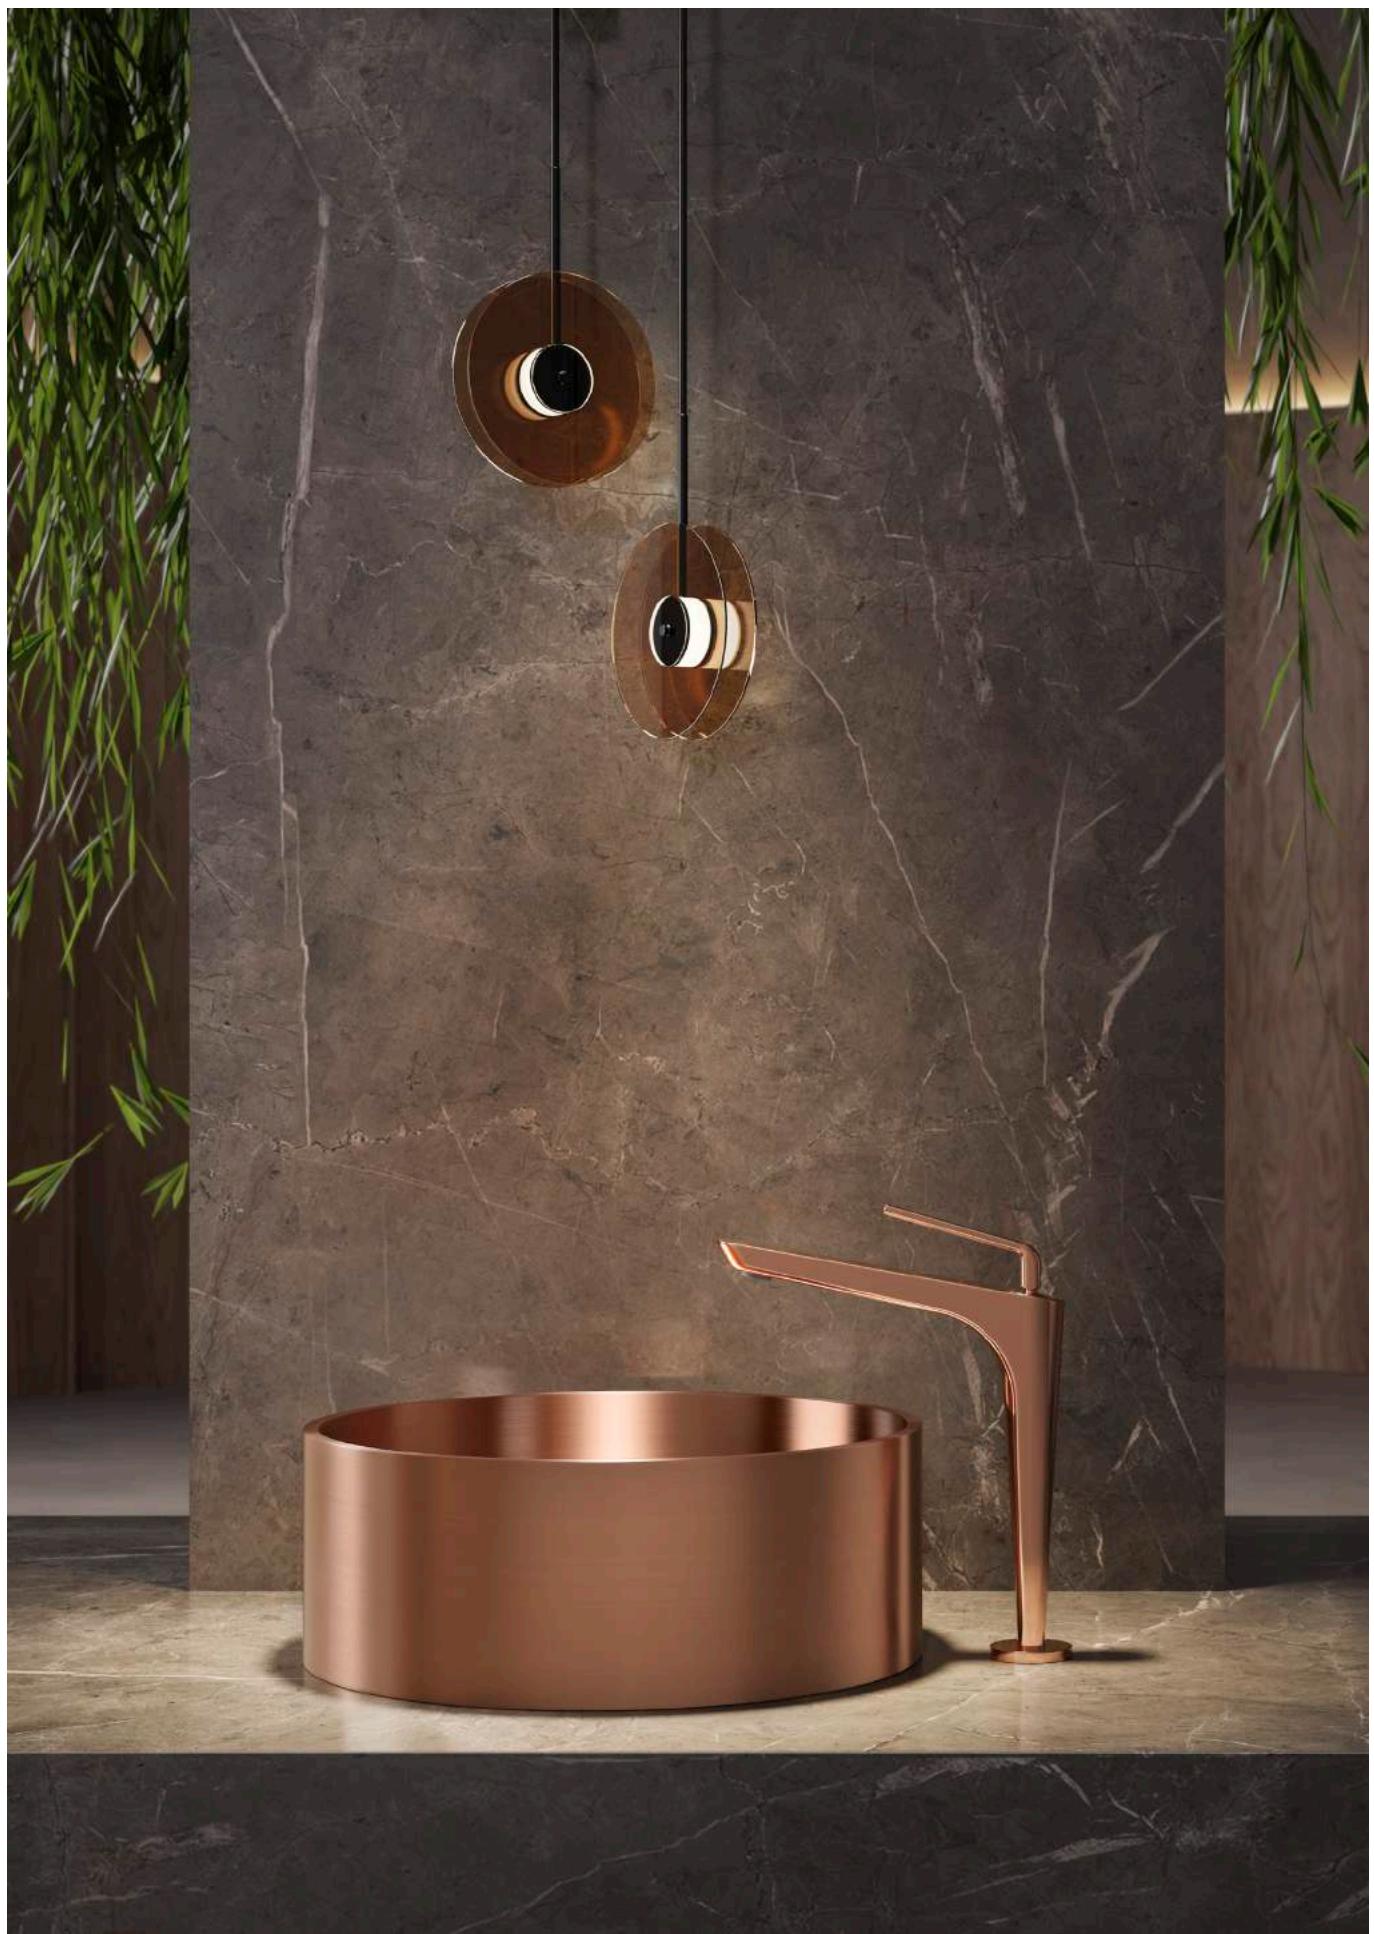

### STEEL BECAUSE SUSTAINABLE

*Newform chooses the most recycled material in the world as physical and tangible essence of Solo.Steel. The stainless complete realisation awards to this furnishing proposal properties such as durability and resistance, as well as a high-performing aptitude to sustainability. The research of the ideal material integrates with the washbasin circular shape to give an effect of pure elegance able to cross times and places of any bathroom.*

## UNA VESTE VERSATILE

Newform ha da sempre portato nuance esclusive all'interno dell'ambiente bagno: suggerire e allo stesso tempo giocare con i riflessi è il plus che lega il brand agli architetti. Personalità ed esclusività permettono di creare atmosfere uniche nelle ambientazioni più creative. La dote espressiva di Solo.Steel è riassunta nelle finiture materiche di una raffinata gamma di colori che evocano il carattere poliedrico e decorativo di questo complemento d'arredo.

Fissata la costante della spazzolatura, Solo.Steel si presenta con un'estetica declinata in puro acciaio, Oro, Copper Brushed Bronze e Brushed Gun Metal. La rosa dei colori proposti si accompagna non solo alle finiture spazzolate dei rubinetti, ma anche a quelle lucide, dando un tocco unico all'arredo che diventa protagonista indiscusso all'interno della stanza.

## A VERSATILE LOOK

Newform has always brought exclusive nuances within the bath environment: suggesting and playing at the same time with the reflections is the plus that connects the brand to the architects. Personality and exclusivity allow to create unique atmosphere in the most creative settings. The Solo.Steel expressive quality is summarized in the textured finishes of a refined range of colours evoking the polyhedric and decorative character of this furnishing accessory.

Given the constant of the brushing, Solo.Steel presents an aesthetics declined in pure steel, Gold, Copper Brushed Bronze and Brushed Gun Metal. The shortlist of the colours proposed combines not only with the brushed finishes of mixers, but also with the glossy ones, by giving a unique touch to the furniture that becomes undisputed protagonist inside the room.

# SISTEMA DI QUALITÀ CERTIFICATO

## CERTIFIED QUALITY SYSTEM

Lo scopo prioritario di Newform è quello di fornire un prodotto di qualità superiore, progettato minuziosamente e costruito solamente con materiali di prima scelta, una metodologia certificata secondo le norme UNI-EN ISO 9001 per la progettazione e produzione di rubinetteria sanitaria e accessori da bagno. Inoltre, la creazione e l'implementazione di un sistema integrato che permette sistematicamente di migliorare le condizioni lavorative e di ridurre l'impatto ambientale secondo gli standard ISO 45001 ed ISO 14001, è un altro importante passo verso una sempre più consapevole responsabilità sociale d'impresa.

Newform's first priority is to create high-quality products, conceived carefully in every single detail and produced only with first quality materials, a method recognised by UNI-EN ISO 9001 standards for design and production of sanitary taps and bathroom accessories. Furthermore, creation and implementation of an integrated system to continuously improve working conditions and reduce environmental impact according to ISO 45001 and ISO 14001 standards is another important step towards Corporate Social Responsibility.
